** For Districts with more than 10,000 students, SlateXP will guarantee a minimum 5% ALJP Discount, but depending on the total # of students in a District, the discount could be greater.										
		System Support Services								
		SlateXP (SXP) will provide daily Program monitoring to ensure the Learnafe application is running and accessible. SlateXP utilizes Amazon/Oracle Web Services (AWS) for all hosting. If the situation changes SXP will notify the Licensee advising them of recommendations that should and/or must be made to ensure consistent and reliable service.								
		Unless otherwise agreed upon, Licensee Capture Data will be retained on the Program for a period of 90 days. SXP will enable deletion of Licensee Capture Data that is older than 90 days unless an Authorized User has executed a save command on particular captures.
